4. Source observed the following service colors with personnel of the KVPD in Loebau:

Blue-bordered black epaulets	Engineer soldiers;
Yellow-bordered black epaulets	Signal soldiers;
Black-bordered crimson epaulets	Infantry officers;
Crimson epaulets	Infantrymen;
Darkblue-bordered blue epaulets	Tank soldiers;
Red-bordered black epaulets	Artillery soldiers. 4

5. All leaves were canceled for the KVPD in Loebau in January 1953. Annual leave was not to be granted before March 1953. This measure was officially motivated by the critical political situation. 5
6. The units which had arrived in Loebau from the Torgelow area used an official stamp "Dienststelle Prenzlau". 6

25X1A
25X1A

1. Comment. Most of the officers mentioned were previously known. See .

25X1A

2. Comment. Sonderkompanie 3 is the independent engineer company of the KVPD in Loebau. Units I through III are the three cadre infantry regiments of the KVPD.

25X1A

3. Comment. The documents are excerpts from 25X1X the former German technical manual for engineer troops (Ausbildungsvorschrift fuer die Pioniere). As these documents do not contain any information on Soviet equipment and Soviet training methods, they are transmitted in the German original. No Soviet manuals have so far been issued to KVP units. Only excerpts from Soviet manuals have been made available to high-ranking KVP officers responsible for the training of their units. The Soviet instructors attached to KVP units are responsible for the conduct of training activities along Soviet regulations.

25X1A

4. Comment. According to other information, KVP tank troops wear black-bordered blue epaulets.

25X1A

5. Comment. The canceling of all leaves may also have been motivated by the desire to prevent desertions.

25X1A

6. Comment. This information refers to the 3d Inf Regt of the VP division in Prenzlau which took winter quarters in Loebau.

Attachment: Excerpts from Training Manual (Army).
